United States District Judge
United States District Court

White Plains, NY 10601-4150

RE: *United States of America ex rel. Integra Med Analytics LLC. v. Isaac Laufer, et al.*, No. 7:17 Civ. 9424-CS

Dear Judge Seibel:

After the pre-motion conference with the Court regarding the proposed motion to unseal the sealed docket entries [Doc. 87], counsel for the Defendants¹ conferred with counsel for the Government. Counsel for the Government represented to counsel for the Defendants that the under-seal material does not contain information that would clarify the allegations in the complaint or provide additional details pertinent to the complaint, such as the identities of witnesses to whom the complaint refers only by employment position. In light of Government counsel's representation, the Defendants have determined that there is no need to file the motion to unseal.

Sincerely,

/s/ J. Bradley Robertson
